Atlas Disposal Sustainability Scholarship

Empowering the Next Generation of Environmental Leaders

At Atlas Disposal, **we believe young leaders are key to a more sustainable future,** and we are committed to supporting students who are passionate about environmental stewardship.

Atlas Disposal will **award $5,000 in scholarships to Rancho Cordova high school students,** with one $1,000 scholarship awarded to a student in each of the five Rancho Cordova City Council districts.

Whether you are leading a sustainability project, reducing waste, or finding new ways to protect the environment, **we want to hear how you would make a difference in your community.**

Questions?
outreach@atlasdisposal.com

Eligibility:

- Be enrolled in grades 10-12 at a high school in Rancho Cordova
- Be a resident of Rancho Cordova

How to Apply:

1. Complete the online application form
2. Write a 500–750-word essay responding to the essay prompt

Essay Prompt

How would you help create a cleaner, greener, and more sustainable Rancho Cordova?

Describe an environmental issue, activity, or cause that matters to you, why it is important, and how you would help make a positive difference.

Application Deadline: November 27th, 2026
